

Guidelines for Digital Events by the Global Student Forum

The following guidelines are designed to ensure a safe, enjoyable, and inclusive experience for all participants during digital events organized by the Global Student Forum.

Registration and Attendance

- Register for the event in advance, providing accurate and complete information.
- Attend only the sessions and activities for which you are registered or invited.
- Log in using your full name and affiliation, as provided during registration, unless this compromises your or others' safety.

Technical Requirements

- Test your device, internet connection, and any required software prior to the event.
- Use a stable internet connection and ensure your device is adequately charged or connected to a power source.
- Use a headset or headphones with a microphone to minimize background noise during discussions.

Conduct and Behavior

- Treat all participants with respect, dignity, and fairness in accordance with the Global Student Forum Code of Conduct.
- Avoid engaging in any form of harassment, discrimination, or misconduct.
- Mute your microphone when not speaking to minimize background noise.
- Use the chat function responsibly and respectfully, and refrain from sharing inappropriate or offensive content.

Privacy and Security

- Respect the privacy and personal boundaries of others.
- Do not share the personal information of other participants without their consent.
- Do not record or take pictures or screenshots of the event without permission from event organizers and participants.
- Adhere to any additional security measures implemented by the event organizers.

Participation and Engagement

- Actively participate in discussions and activities while being mindful of allowing others the opportunity to contribute.
- Raise your virtual hand or use the chat function to ask questions or make comments.
- Stay on topic and contribute constructively to the conversation.
- Be patient and understanding of any technical difficulties experienced by others.

Reporting Misconduct

- Report any violations of the Global Student Forum Code of Conduct to the Trusted Person Team.
- Cooperate with event organizers and staff during any investigations or interventions related to misconduct.

Consequences for Non-Compliance

- Be aware that violations of these guidelines may result in sanctions, such as a warning, removal from the event, or a ban from future events.
